

Cool Air Rebate Program Income Eligibility Requirements

The California Cool Air Rebate Program provides financial assistance to eligible Californians to repair leaking air conditioning systems with R-134a refrigerant in cars and light duty trucks. Fix your AC, enjoy a cool ride, and improve the air quality in your community!

To be eligible for the program, you must live in California and own a car manufactured between 1993 and 2019, or have an older vehicle that has been retrofitted with R-134a refrigerant. The program income eligibility requirements are based on 225% of the 2026 federal income poverty level.
