COOL AIR REBATE

A working air conditioner is about safety, not luxury. As a thank-you to those who served, the California Cool Air Rebate Program now covers 95% of a qualifying vehicle A/C repair, up to $1,500 — higher coverage than anyone else receives.

WHO QUALIFIES

- Veterans, active-duty service members, and their families.
- California residents with a 1993-2019 vehicle (or older retrofitted with R-134a) and a leaking R-134a A/C system.
- Household income at or below 225% of the 2026 federal poverty level — or Medi-Cal, CalFresh, CalWORKs, or Healthy Families.
